

The INB Performing Arts Center, owned and operated by the Spokane Public Facilities District serves as the premier entertainment venue in the Spokane Region.

A legacy from Spokane's World Fair in 1974, this facility has hosted everyone from Jerry Seinfeld to "Phantom of the Opera" to "The Lion King." The elegant 2,700-seat INB Performing Arts Center is adaptable for symphony concerts, ballet, grand opera, road shows, country and rock music spectaculars, musical stage productions, travelogues, conventions and lectures.

MISSION STATEMENT

To operate as a community facility - providing first class performing and meeting surroundings with excellent service at affordable use rates to local performing arts groups, event presenters, meeting planners and school districts, thereby enhancing the quality of life for all citizens and serving the economic well-being of the community and enhancing the quality of life.

AT YOUR SERVICE

Spokane is ready when you are. Keep in mind that we also have the entire staffs at the Spokane Public Facilities District and the Spokane Regional Convention and Visitors Bureau ready to serve you. Call us. We'll take it from there and have everything ready to make your event successful. Come find out why we say: "Spokane: Near Nature. Near Perfect."

The INB Performing Arts Center has Available Dates and Great Rates for your Meeting, Conference or Special Event.

INB PERFORMING ARTS CENTER

LOADING DOCK

2 truck loading dock, 3' 4" high x 26' wide, at the rear of the INB Performing Arts Center, enables you to load/unload into the staging area located upstage left through a 12ft high x 18ft wide roll-up door.

STORAGE AND WORK AREAS

There is a 24' x 28' enclosed staging area with a 13.5' ceiling height just inside the loading dock that can be separated from the stage area with a 2nd roll up door if needed. This area can be used as storage, workshop etc. once move in is complete. Located off stage left is approximately a 36' x 55' area for scene storage, work area, etc. Height limited by stage left pin rail platform at approx. 35'. Below the stage is a 66' x 14' instrument storage & musicians warm up area accessible only by the orchestra pit elevator or by a single door stairway. Some house equipment is stored in this area.

ORCHESTRA SHELL

The in house orchestra shell is a "Wenger Diva" shell that consists of 7 - 32' high walls and 4 ceiling pieces that are hung from the counterweight arbor system. When needed, ceiling pieces can be stored all the way upstage on fixed chain motors and, the walls off stage in the USL storage area when not in use.

ORCHESTRA PIT

Crescent shaped, approximately 60' wide by 15' deep at center and 8' deep on each end. It is equipped with a hydraulic operated lifting platform which lifts from a low point of 10 feet below stage level to a high point level with the stage. There are no stage traps or stage elevators. The orchestra pit has a capacity of 76 sellable seats that includes 2 for disabled seating.

MUSIC ROOM

The 2700 sq. ft. Music Room is located in the INB Performing Arts Center and is suitable for meetings, conferences, musical events, formal receptions, and rehearsals. Entry is through the INB Performing Arts Center lobby or from the backstage area.

The Music Room is NOT ADA accessible. Call for availability & rates.

FORKLIFTS

1 - Forklift, 2000lb capacity, 48" forks with sideshift, propane powered.

1 - Genie Lift, 30' battery powered, single man, 300lb capacity.

WATER

17" x 13" x 12" deep sink with hot & cold running water off stage left.

DRESSING ROOMS/GREEN ROOM

Located off stage right. High speed internet and phone lines are available in some areas upon request. Charges apply.
